

Anguilla Relaxed Entry Protocols

Pre-Arrival

For Entry Permission

- All visitors 18 years and older must be fully vaccinated to be granted Entry Permission to Anguilla. Fully vaccinated means the visitor received the last dose of a two dose vaccine, or the one dose vaccine 3 weeks/21 days prior to arrival on Anguilla.
- Pregnant women and children under the age of 18 years are exempted from this requirement.
- **No medical exemptions will be granted.**
- Visitors must apply for Entry Permission at www.ivotanguilla.com; the application for entry will include **an arrival testing fee of US\$50.00 per person.**

Approved Vaccines for entry by Anguilla's Health Authorities:

Vaccine Manufacturers/Developers	Trade Names and Aliases	Dose Schedule
Pfizer/BioNTech	Cormintary; BNT162b2	2
Oxford/AstraZeneca	AstraZeneca, Vaxzevria, Covishield, AZ; AZD1222 (ChAdOx1)	2
Moderna	Moderna; Spikevax	2
Janssen	Janssen/Johnson and Johnson; JnJ	1

- A negative COVID-19 test from a nasopharyngeal swab (from the nose), taken two (2) to five (5) days prior to arrival is required.

Acceptable test types:

- Reverse Transcription Polymerase Chain Reaction tests (RT-PCR)
- Nucleic Acid Amplification tests (NAA)
- RNA or molecular test
- Antigen tests completed via a nasopharyngeal swab
- Mixed vaccines are accepted but they must be a variation of Pfizer, AstraZeneca and Moderna.
- The laboratory that processes the pre-arrival test must be accredited. Self-administered and antibody tests will not be accepted.
- Applications will not be accepted later than 12:00 PM EST the day before your arrival date. For assistance with the travel application portal, visitors may email ivotanguilla@gov.ai; or call 1-264-584-2710, or 1-264-497-5666/7 between 8:00 AM and 7:00 PM EST.

Upon Arrival

- You will be tested at your Port of Entry.
 - After clearing Immigration and Customs, you will be required to travel immediately via a Safe Environment Certified ground transportation to your accommodation.
 - All guests will be required to stay in place at their hotel, licensed villa, or other rental accommodations while the test is processed (usually within 24 hours).
 - Until you are in receipt of your Port of Entry negative RT-PCR test result, you are to maintain social distance of at least 3ft from individual(s) not of the same travel group.
 - Until you are in receipt of your Port of Entry negative RT-PCR test result, you are asked to utilize restaurants on property and food delivery services.
 - If the test result is negative, there will be no quarantine requirement. Visitors traveling with unvaccinated minors will not need to quarantine beyond the required stay in place on arrival. Guest are free to explore and enjoy the island.
 - Guests staying on island for more than 8 days may be tested on Day 4 of their visit, at no additional cost.
- ! NOTE:**
- Use of rental vehicles before receipt of Port of Entry negative RT-PCR COVID-19 test result is prohibited.
 - Guests are asked to adhere to and respect the COVID-19 protocols of establishments on hygiene with frequent hand washing or using hand sanitizer.
